

~ It's Christmas Time ~

'Tis the season when we all have a little flutter in our hearts as we remember our childhood Christmases and enchant the children in our lives with tales of Santa, bustling elves, and eager reindeer working hard at the North Pole.

Add a little extra magic and wonder to your children's Christmas with a real stamped and sealed letter from the Claus himself. A few days before the big night, good girls and boys will receive a personalized letter mailed from the North Pole ("Southern Division") and twinkling "reindeer food." Santa has sent them a special treat for the reindeer's snack during their long and busy night around the world!

Simply fill out the attached form and enclose \$5 per letter. All profits will be donated to the North Carolina Jaycee Burn Center. (Be sure to let us know if your child received Cary Jaycee Santa letters last year.) Also, to ensure that the letters are received in time, be sure to have your application(s) submitted to the Cary Jaycees no later than **December 14, 2009**.

Happy Holidays and thanks from Santa and the Cary Jaycees!

Cary Jaycees Letters from Santa

(Please print)
Name of Child _____ Age _____ M ___ F ___
Address _____ Is this the first year the child has
